

Gig Works

Lifelong Learning | Entrepreneurship

**Become a
freelancer to
work in the
Global Platforms**

- Earn decent money with your skills, experience and network while enjoying a perfect work-life balance
- No need to quit or change your existing job and profession. But, take out at least one hour everyday to succeed as a freelancer
- No risks at all because there are no money investments, no inventory to be maintained or no unsold produces

**Aspiring career seekers | Work from professionals |
Educated Homemakers | Retired Employees | Passionate
hobbyists**

How it works?

- A Laptop / Desktop and a Smart Phone with a stable Internet connection is essential
 - Basic English for oral and written communication is mandatory
 - A daily fixed time slot of minimum one hour is recommended.
1. Setup a neat public profile, ideally LinkedIn
 2. Create freelancer accounts in top 3 global platforms
 3. Collaborate with District Teams to win projects of your choice and execute it successfully

What kind of freelancing jobs available?

- Global marketplaces have more 65 different categories of jobs including Marketing, Information technology, Engineering, Writing, research, Creative and Virtual Assistant etc.
- Entry levels jobs to the expert level assignments are available both for individuals and teams
- Hourly rate hiring to fixed priced projects are available

In addition, greenworkforce.in has its own programs like Waste to Wealth, Experiential Learning, Micro Nutrients through Edible Weeds and more to engage the youth from local districts.

You are your own Boss!

- The engagement with greenworkforce.in comes with absolute freedom and flexibility. But, it requires self discipline and commitment to succeed.
- Each project or assignment comes with a clear scope of work, budget and timeline. Understanding these before starting a freelancing work and then executing it as per the agreed terms are critical to grow in the global competitive marketplaces.
- We recommend you to develop two or more alternate skills to develop the professional journey. Lifelong Learning is an integral part of the job.
- Freelancing is an alternate form of Entrepreneurship, the future of work!
