Do you want to start your own technology company, but don't know where to get started? You are not alone. Every day millions of people wake up to regular jobs, but few do something about it.

At the "Employee to Entrepreneur" event, you can hear the stories, tips, and best practices of those who left their jobs to pursue their own startup company.

This event is sponsored by the [Founder Institute](#) startup accelerator. Founder Institute provides a step-by-step program that gives startup founders the structure, mentor support, and network of entrepreneurs they need to start an enduring company. Based in Silicon Valley and with chapters across 60 countries, the Founder Institute's mission is to "Globalize Silicon Valley" and build sustainable startup ecosystems worldwide.

Who should attend? Anyone who dreams of launching their own company
